**Triathlon Saskatchewan Club Eligibility Requirements:**

Clubs must renew their affiliation with the Triathlon Saskatchewan on an annual basis as either a For-Profit OR Not-For-Profit club. Until the document has been received and approved by Triathlon Saskatchewan, the club and its activities will not be considered sanctioned. Not-For-Profit Clubs are eligible for funding and grants.

1. All clubs must submit to Triathlon Saskatchewan a full list of club members including name, address and email annually.
2. For-profit versus non-profit status: Triathlon Saskatchewan may approve club status to any group meeting the eligibility requirements listed in this document. This includes clubs deemed as not-for-profit and for-profit entities. To be considered a not-for-profit club, the club in question must be formally recognized by the Government of Saskatchewan or a similar body as a registered not-for-profit.
3. Eligible for Member Assistance Program Grant Funding (MAP): Officially registered not-for-profit Triathlon Saskatchewan recognized clubs are eligible for all MAP opportunities provided by the Triathlon Saskatchewan. Club sanctioned by Triathlon Saskatchewan but not recognized as not-for profit may be eligible for MAP Grant funding in special circumstances but generally are ineligible to receive MAP Grants. For-Profit clubs can apply for special grants and funding for good or services that will benefit the Triathlon Saskatchewan membership without any financial gain or advantage over any other club.
4. Clubs with a member or members under the age of 19 years must provide a criminal record check on behalf of their listed coaches every year.
5. All lead coaches and participants in Club training sessions must be current Triathlon Saskatchewan members.
