

We are actively working with Local Organizing Committees (LOCs) to offer qualification events in each of the Sport Districts but may have to coordinate regional competitions if no local events can be organized. If you do not see a qualification event in your district, please know that we are working to connect with coaches, clubs, and schools to coordinate events. If you have information needs or leads, please contact us by clicking [here](#).

Here are the *District Teams* with qualifying events:

- **[Team Regina](#)**
 - Brent Gibson Memorial Ice Breaker and Kids of Steel Triathlon, May 26, 2024, Regina
